THE NEWSLETTER OF THE WINDLASSES

December 2011 Vol. 24, No. 2

★★★★★ **FROM THE HELM** ★★★★★
Tangi Bohlmann, Captain

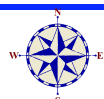

Holiday greetings from your Captain and Board. For the most part we have had beautiful weather this season, with lots of good sailing, friendship, and fun.

The Board has been working diligently on the tax issues. This activity is almost done; we are just waiting for a final review.

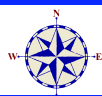

The City is working to finalize our contract for next year. This may in turn affect our club dues. More information will be forthcoming. In the near future we can expect a survey regarding the city's purchase of boats for the shared fleet.

Saturday, December 10th is the City of Dunedin's annual Holiday Parade. Windlasses and DYSA families will walk with a decorated OPPI. Gather at the pram shed at 2 pm to help decorate, or just meet us at 3:30 at float #54 on Douglas Avenue. Thank you, Robin Story, for organizing this fun annual event.

Wishing you and yours a beautiful Holiday season!

Cruise News
Cloyce Martens & Kris Ross

Your cruise chairs hope you had as much fun on the Grape Cruise and Oktoberfest as we did. Perfect weather, perfect food and outstanding company. Many thanks to Karen Watson, Sabine Probst and their fantastic teams for making both such wonderful events. Sharon Williams will be at the helm for the Soup Cruise February 23, to be held at the club house. Until then we will enjoy more racing, a parade and many holiday activities. Life is good!

2012 Winter Schedule

Winter Series

- Jan. 5 First Race
- Jan 12 Second Race (Planning Race Committee mtg after racing)
- Jan. 19 Third Race
- Jan. 26 Luncheon/General Meeting (Board meeting 8 am)
- Feb. 2 Fourth Race
- Feb. 9 Fifth Race
- Feb. 16 **Valentine's Race**
- Feb. 23 Soup Cruise (Board meeting 8:00 am)

THE NEWSLETTER OF THE WINDLASSES

December 2011 Vol. 24, No. 2

F W S A Delegates

Diane Schmidt

FWSA kicked off the new sailing year with a general meeting at Clearwater Yacht Club on September 20th. In attendance were Windlasses Dotty Bellefleur, Deborah Carlisle, Holly Dowling, Bernardine Purcell and Diane Schmidt. We all enjoyed the meeting, especially the presentation on "How to a Sail Laser." Many of the principles could be applied to a pram or Sunfish.

Our interclub race season began in October with Michaela Mahoney, Holly Dowling and Janet Kreutzer sailing at the Salty Sisters in St. Petersburg. Nancy Durstein and Holly Dowling attempted to sail in Sarasota with the Luffing Lassies, but because of unfavorable weather conditions they settled for an enjoyable lunch with our fellow FSWA sailors and then headed home.

Fun was had by all at our Windlasses sponsored interclub race on November 7th. Eight of the eleven FWSA clubs participated in this event. Great weather conditions and a cadre of Windlass volunteers made this an extremely successful day! Windlasses had 4 Sunfish sailors and 3 pram sailors participate in this regatta. Marty Williamson placed 2nd and Jutta Kohol placed 4th in the Sunfish division, while Sylvia Mabe placed 1st and Holly Dowling 3rd in the pram races.

Michaela Mahoney and Robin Babka performed well in representing Windlasses in the Lucas Cup. Windlasses have been strong leaders in this event. This year Michaela took 1st place and Robin took 2nd place.

We have several sailors going to the Salty Sisters to race on December 6th. Stay tuned for results.

Congratulations to all of our interclub racers who represented the Windlasses so well, and thank you to all of our interclub race volunteers for making our event such a success. Your efforts and participation are greatly appreciated and demonstrate what a wonderful club we have.

Diane Schmidt, 1st delegate

Community Liaison

Diana (Dinah) Carsey

Marina Plan

The Dunedin Commission has received a plan to update and improve the Dunedin Marina over the next ten years or so. At a hearing in November, Commissioners indicated that they do not wish to reduce current parking at the Marina which had been in early drafts; nor do they want an interactive fountain built in the area. They agreed that the revised Plan will be posted on the city's website.

The next step is that the Marina Plan goes to the County in the spring of 2012 for their approval.

Tenting of Pram Shed

The City will be tenting and fumigating the Pram Shed along with the Boat house in December. The date of fumigation is set for the 19th (weather permitting). There is no reason to clear anything out of the pram shed unless it is food or toothpaste. So, if by any chance there is a tube of tooth paste it should be removed! On that day, we are asked to leave all closet doors (windlasses' and city lockers) unlocked as they need to be open for the gas to get everywhere.

No one will be permitted in the pram shed or boat house from 12/19-12/21. Entry will be permitted starting 12/22 when deemed safe for all.
